MAHATMA GANDHI P.G. COLLEGE , GORAKHPUR

Mahatma Gandhi P.G. College, was established by "National Educational Society" in 1969. The parent organisation came into form in 1909. The objective for the establishment of the college is to decipher unparalleled complete education to our students on the idealism of Mahatma Gandhi without any discrimination on the basis of caste, creed and religion. The aim is to develop great "National feeling" amongst students along with subject knowledge, so that they may become a civilized person to play important role in today's modern society.

The college is renowned for its science education and the way it imparts learning with teaching skills from our most dedicated and talented teaching facilities. The college runs Home-Science and Commerce degree courses at Under-graduate level and all Science streams courses at Under-graduate & Post-Graduate level.

It provides best education and a decent infrastructure in the form of well equipped laboratories with latest instruments, central and departmental libraries with reading rooms and smart classes.

Our Mission :

Every Student of Mahatma Gandhi P. G. College creates a success story.
To ensure overall development of students towards excellence
so that they think global & act local.

Our Orientation

No Student is ever neglected where every action and thought is student oriented.
To enable and nourish the creative & critical ability in the teachers so that
they can provide best mentorship to students.
